APO's **Sentencing Services Program** provides the judicial system with information that will assist in imposing sentences that make the most effective use of available community and correctional resources for eligible offenders. This allows a comprehensive look at the combined issues of punishment, victim restitution and reconciliation, accountability, control, and rehabilitative services for offenders who may be released in our community. Risk and needs issues are addressed in a manner that promotes community safety and well being.

Eligibility: Residents of Alexander, Davidson, Davie, & Iredell Counties, 16 and older

APO administers the **Youth Incentive Program (YIP)** for Iredell County. This program was established by collaborative efforts of APO and Piedmont Mediation Center. Competency-based life skills curriculum targets youth at risk of exiting the education system without completion. The program accepts referrals from the school system, law enforcement, court personnel, family members, and other community agencies. (The youth does not have to be involved in the criminal justice system to enter YIP.) The core of the program is Survival Skills for Youth that encourages teambuilding concepts included in but not limited to: Respect for Self & Others, Goal Setting & Achieving, Communication (which includes anger issues), Staying in & Succeeding in School, Getting Ready for Employment & Succeeding in the Workforce, Legal Responsibilities, Taking Care of Your Health (which includes topics from nutritional pros to substance abuse cons), and Celebrating Success. YIP requires a commitment of at least 3 hours per week for 12 to 14 weeks and group sessions are held after school. The program also involves parents and/or mentors taking part in survival stories and action plans prepared by the youth that involve real-life issues.

Eligibility: 13-19 years of age

APO also administers the **Iredell County Resource Center**, which is funded totally by Criminal Justice Partnership Program funds through the North Carolina Division of Community Corrections. Services offered include: Substance Abuse Education, Treatment & Aftercare, Cognitive Behavioral Intervention, Women's Group, Life Skills, (including career & vocational counseling, stress management, & communication skills.)

Eligibility: Only referrals by Judge, Probation, or TASC; 16 years & older.

TREATMENT SERVICES

Residential Group Care is provided for youth in need of out-of-home care for which less restrictive alternatives are not available. Care is provided using the Teaching-Family Model, which emphasizes skill development, and replacing maladaptive behaviors with pro-social behaviors. Youth are prepared for permanence with the child's natural family or relative, adoption, long-term foster care, independent living, or a step down into a less restrictive environment.

Clinical Services include individual, group, and family therapy; case management; assessments; medication monitoring; psychological evaluation; substance abuse services; and clinical consultation.

Referrals for Residential Care and Clinical Services come from mental health, DSS, juvenile courts, and private families.

Day Treatment is an alternative learning environment for elementary, middle, and high school youth available on and off campus. Referral for the on campus school can come at the time of admission into the residential program or from private families needing educational support. Referrals for day treatment come from mental health.

A private non-profit United Way supported agency providing quality accessible professional counseling services to people who live and/or work in Iredell County. Professional staff are at least masters trained, are licensed, with many years of professional experience as certified clinical social workers, certified substance abuse counselors, licensed professional counselors, and licensed marriage and family therapists.

CRISIS INTERVENTION

Unscheduled face-to-face, counseling with individuals and families experiencing an immediate crisis.

Eligibility: All residents of Iredell County; all ages, income based sliding fees.

24 HOUR CRISIS TELEPHONE LINE

Telephone support to persons in immediate crisis, referrals to available community resources, provided by trained professional counselors.

Eligibility: Anyone in crisis. No fees.

EMPLOYEE ASSISTANCE PROGRAMS

Assistance in policy development, supervisory training, and clinical services are provided to companies and other organizations concerned about the impact of troubled employees on the company's productivity and safety records. Clinical services to employees and their immediate family members are provided or employees are referred to the most appropriate service provider. Crisis consultation is available on the work site to assist the company in the proper handling of troubled employee situations. Brochures, posters, etc. are provided to keep the availability of services before the employee. Workshops on topics of interest to employees are provided when requested.

Eligibility: Companies in the Iredell County area who contract annually for services to the company and their employees. Fees are based on the number of employees.

MARITAL COUNSELING

Pre and post marital counseling to persons considering or having already established a partner relationship addressing issues of communication, roles, decision making, sharing interests and activities, sexual relations, financial issues, etc. Individual, couple, and group therapies utilized.

Eligibility: Persons who live or work in Iredell County. Income based sliding scale fees.

FAMILY SUPPORT SERVICES

Supportive counseling to individuals and families in coping more effectively with problems related to family functioning resulting from marital discord, divorce, blended families, single parenting, changes in roles of family members, etc. Individual and family therapy utilized. Services include:

- **Child/Family Services:** Assessment and treatment of children ages 4 to 12 who are behaviorally or emotionally troubled, who may do poorly in school, withdraw from relations with others, present violent aggressive, or oppositional and defiant behavior.
- **Adolescent/Family Services:** Assessment and treatment of adolescents ages 12 through 17 experiencing significant difficulties with the trials of the “teen years”. The Alternative Treatment Options program focuses on teens who are at risk for or have come into conflict with the law, aiming to redirect their behavior so that sentencing to a state training school will not be required.
- **Adult/Family Services:** Assessment and treatment of adults experiencing anxiety, and depression related to poor relations with others within the family, including physical, sexual, and domestic abuse and violence. Also addressed are problems at work, or difficulties adjusting to loss, grief, bereavement, suicide, and other phase of life changes.

Eligibility: Persons who live or work in Iredell County. Income based sliding scale.

SUBSTANCE ABUSE SERVICES

Assessment, intervention, and treatment, and referral services are provided to all ages of persons and their families experiencing the harmful effects of alcohol or other drugs. 12 Step programming is provided utilizing both morning and evening options to minimize conflict with work schedules. Co-dependency issues are addressed with family members in family and group settings. Referrals to self-help support groups such as AA, NA, AlAnon, and Alateen, are strongly encouraged.

Eligibility: Persons who live or work in Iredell County. Income based sliding scale fees.

DWI ASSESSMENTS

DWI and DMV assessments are provided with assessment prescribed services offered or referral to other community facilities. Fees are related to the number of hours required by the assessment. Networking with the judicial system and other substance abuse providers assures efficient utilizations of resources. Aftercare counseling is offered following detox or residential treatment. Both morning and evening options minimize conflict with work schedules, utilizing individual, family, and group therapies.

Eligibility: Judicial system referrals. State established fee of \$50.00 for assessments.

HIV-AIDS COUNSELING

Confidential counseling is provided to persons at risk or diagnosed with HIV or AIDS with support to individuals and their families who cope with the disease and its ramifications. Referrals are made to other providers as indicated. Preventive education presentations to other community groups or organizations are provided upon request.

Eligibility: Persons who live or work in Iredell County. Fees adjusted according to income and circumstances.

Iredell Memorial Hospital is a not for profit facility which opened in 1954, with buildings and grounds owned by the citizens of Iredell County and leased to a board of trustees comprised of local citizens. The Joint Commission on Accreditation of Healthcare Organizations accredits the hospital. Although owned by area citizens, the hospital receives no tax dollars.

GENERAL INFORMATION

Iredell Memorial, located at Brookdale Drive and Hartness Road, opened a new wing in 1986 for emergency, radiology and laboratory services, surgery, critical care, and nursing units. All patient rooms are private. The J. Allen Knox Radiation Therapy Center expanded in 1995. The hospital's skilled nursing facility expanded to 48 beds in 1997. Iredell Memorial is certified as a Community Cancer Program by the American College of Surgeons' Commission on Cancer.

A number of medical specialties are practiced at the hospital, with some of the physicians also on the faculty of Wake Forest University School of Medicine.

The health care system owns Iredell Home Health and is a co-owner of the Iredell Surgical Center. The system also maintains a health clinic for Statesville Housing Authority residents and also provides nursing staff to The Open Door Clinic.

For more information, please call 704-878-4500 or 704-873-5661.

The North Carolina Cooperative Extension Service provides a broad range of educational programs that benefit farmers, rural and urban residents, community leaders, families, parents and youth. We provide information through meetings and workshops; demonstrations and field days; conferences, computer programs; radio, television and video; newspaper, newsletters and publications; and telephone contacts and office visits.

Eligibility: All Iredell County citizens

AGRICULTURE

Agricultural programs keep farmers informed on all of the latest technology that is developed on research-based data. This helps farmers to be able to adopt new practices that have been researched without biased results. We provide materials for obtaining soil analysis, and plant diseases and insect identification.

4-H AND YOUTH DEVELOPMENT

Iredell County 4-H is dedicated to the growth and development of youth from all ethnic, economic and social backgrounds whether they live in the city or county. Youth may participate in short term special interest activities that focus on a variety of topics such as fire safety, leadership, nutrition and economics. The Iredell County 4-H program is dedicated to improving the quality of life for young people.

FAMILY AND CONSUMER EDUCATION

Using research-based information, family and consumer education programs are provided to the citizens through seminars, consultations, newsletters and mass media. Our focuses are family development, family economics, food/nutrition and health, housing and human environment, and volunteer leadership development.

COMMUNITY RESOURCE DEVELOPMENT

The "CRD" program helps local citizens develop group actions to bring about changes they desire to improve the quality of life in their community. Programs such as land use planning, waste management, water quality and recycling are examples of areas worked on in Iredell County.

SCAN PARENT AIDE PROGRAM

A home visitation program in which Parent Aides make home visits to families identified as at-risk for abuse or neglect. The matching of a family with a Parent Aide fosters change in behavior and reduces stress within the home, thus lessening the possibility of child abuse or neglect. The Parent Aide helps with problem solving, promotes the keeping of an environmentally safe home, encourages access to community services, and teaches the family how to have fun in a safe and nurturing way.

Eligibility: Iredell County families; no fees; DSS or self referrals

SCAN PARENTING CLASSES

Classes are designed to teach parents and caregivers new skills in disciplining children. Call 704-878-2227 for class times and locations and to sign up for a class. Childcare may be available if requested in advance.

Eligibility: Open to the general public; \$10 for set

SCAN PARENT SUPPORT GROUPS

Support groups are open forums for adults who feel they need help, reassurance, advice, or input from other parents. Stress management, discipline, and coping with child-related problems are generally discussed. Childcare may be available if requested in advance. For times and locations of the weekly meetings, call 704-878-2227.

Eligibility: Open to any parent or caregiver; no fees

VOLUNTEER PROGRAM

The success of the SCAN program depends upon caring, committed volunteers who become friends of families needing help being better parents. Parent Aide volunteers interview with SCAN staff and participate in a 12-hour training program. Call 704-878-2227 to become a volunteer.

Eligibility: Adults 18 years or older; must agree to a criminal background check

PUBLIC AWARENESS SERVICES

Social Security administers the following social insurance programs: retirement benefits, disability benefits, survivor benefits, Medicare hospital insurance and medical insurance benefits, and Supplemental Security Income (SSI) benefits.

RETIREMENT BENEFITS

A monthly check is payable as early as age 62. Full retirement benefits are at age 65 for people born before 1938. Beginning in year 2000, the age for full benefits will increase from 65 to 67 gradually. Reduced benefits at age 62 are about 80% of full retirement benefits. Early retirement benefits are reduced by 5/9 of 1% for each month received before full retirement age.

Eligibility: As early as age 62 (first month 62 the entire month), with no more than 10 years of covered work (40 quarters of coverage)

DISABILITY BENEFITS

A monthly check is payable to persons who have a physical or mental impairment that prevents them from doing substantial work for at least one year, or would likely result in their death. Generally, checks begin with 6th full month of disability.

Eligibility: Any worker who has worked at least 5 out of the last ten years of work before date of onset of disability and who is fully insured (there is special work requirement rules for people disabled before age 31); a disabled widow or widower as early as age 50, disabled children of retired, disabled, or insured deceased workers who are over age 18 and who become disabled before age 22.

BENEFITS FOR CERTAIN FAMILY MEMBERS

For each Social Security retirement and disability beneficiary, other family members might also be eligible for a monthly check.

Eligibility: Husband or wife age 62 or older; husband or wife any age caring for child under age 16 or disabled, children who are under age 18, or under 19 and attending high school full-time, or 18 or older who are severely disabled before age 22.

SURVIVORS BENEFITS

When a family breadwinner dies who had worked long enough or recently enough leaving certain dependents, those dependents may be eligible for a monthly survivor benefit check.

Eligibility: Widow or widower age 60 or older, widow or widower age 50 or older and disabled, widow or widower any age if caring for child under age 16 or disabled child, children as mentioned above under Family Benefits; parent(s) if they were being supported by 1/2 of their support, a special one-time death benefit of \$255 to surviving spouse or eligible child.

SUPPLEMENTAL SECURITY INCOME (SSI)

SSI makes monthly payments to people who have low income and few assets.

Eligibility: Be U.S. citizen or legally in the U.S. and age 65 or older, or blind or disabled, payable to disabled children (as well as adults) if parents' income and assets are low

MEDICARE

Basic health insurance program for aged and disabled. Two parts of Medicare: 1. Hospital Insurance (Part A) helps pay inpatient hospital care and certain follow-up services; 2. Medical Insurance (Part B) helps pay doctors' services, outpatient hospital care, and other medical services.

Eligibility: Qualify automatically at age 65 for all Social Security beneficiaries, or after two year waiting period for disabled Social Security beneficiaries from month of first eligibility; people with permanent kidney failure requiring dialysis or transplant, certain government employees not eligible for Social Security benefits, also, people age 65 who are not eligible for any Social Security benefits who wish to pay a monthly premium for coverage.

HOW TO FILE

SSA encourages appointments for claims filing. Claims can be done by telephone, in office, or online at www.socialsecurity.gov

Teen Health, Inc. strives to facilitate healthy lifestyles and to reduce at-risk behavior among adolescents in Iredell County. It promotes responsibility among young men and women and abstinence from high-risk behaviors.

SPECIALIZED WORKSHOPS AND SEMINARS

Teen Health, Inc., conducts a variety of workshops throughout the county for interested groups of adults and teens, including parent-child communication workshops, futures workshops, and strategic planning for life conferences. The agency will conduct workshops at no cost for interested groups. Teen Health also conducts specialized workshops for teens only (to address the specific needs of individual groups; eg. preparing for college; the dangers of marijuana; how to reduce stress). All workshops will be made accessible for those teens who are most at-risk.

RESEARCH AND PROGRAM EVALUATION

Teen Health conducts research on issues of adolescent health and preventive programs. The agency maintains an array of literature, videos, statistical data, and information about programs and projects. All resources are available to the public at no cost.

RESPONSIBLE ATTITUDES PROGRAM (RAP SESSIONS)

This program targets financially needy teens and their families in an attempt to reduce risk-taking behaviors, particularly unprotected sexual activity.

Eligibility: All participants must qualify financially for the program (families must be receiving public assistance or meet household income requirements). Participants must be enrolled in school and be neither parenting nor pregnant.

COMMUNITY EDUCATION AND AWARENESS CAMPAIGNS

Teen Health, Inc. implements four community awareness campaigns to raise awareness about issues affecting the well-being of adolescents: Male Responsibility Month (February); Teen Pregnancy Prevention Month (May); Impaired Decision-Making Month (July); and Let's Talk Month (October). The agency conducts workshops and public forums concerning each of these issues, disseminates educational materials throughout the community, and releases information through the local media. The agency also provides Teen Help Cards to adolescents at no cost.

LATINO OUTREACH PROGRAM

This program targets Latino middle school boys and girls and their families in an attempt to reduce risk-taking behaviors, particularly unprotected sexual activity.

Eligibility: All participants must be enrolled in school and be neither parenting nor pregnant.

TEEN ENTREPRENEURSHIP PROGRAM

This program targets high school sophomores who have an interest in starting their own business.

Eligibility: All participants must be enrolled in school.

Since 1965, Telecare has been committed to making a difference in the lives of people with mental illness, substance abuse problems, and developmental disabilities. We believe in recovery and in the human ability and desire to reach its full potential. We have created an environment that puts the client at the center of the organization and a culture that empowers clients and employees in achieving their goals. Telecare works in partnership with local, county, state, and regional behavioral health organizations to design and provide a wide range of innovative, recovery-focused, outcome-driven services and supports for high-risk individuals with complex needs.

OUTPATIENT SERVICES

Alcohol and Drug Abuse Treatment Programs - Intensive Outpatient Program (IOP) for substance abuse, adolescent groups, women's treatment groups, dual diagnosis, men's groups, and long-term outpatient care.

Assessment – We offer screening assessments for a variety of mental health needs, e.g., substance abuse, crisis stabilization, and information & referral. The assessment is comprehensive and careful to include goals and wishes of individual.

Case Management Service – Case managers help link clients to appropriate services as well as coordinate and monitor their care. We also provide specialized case management to the homeless.

Children's Services – Assessment and treatment services for children. Child psychiatrists (physicians) and therapists treat full spectrum of childhood disorders including ADHD with medication management; anger management; self-esteem; social skills training; sexual offender specific treatment; phobias; substance abuse issues; parent/child issues.

Community Support Teams – ACTT Teams

We offer comprehensive wrap around services for some of our clients. Services are home-based and use a team approach that includes a psychiatrist, a nurse, a case manager, a therapist, and a peer specialist.

Crisis Intervention - 24-hour emergency services
Call 1-888-235-4673 to access emergency services. We help determine the need for hospitalization as well as enabling the placement.

Evaluation – Telecare has adult and child psychiatrists (physicians) and provides comprehensive psychiatric, psychological, forensic, and DWI evaluations. We assess the problem and determine the most effective treatment. The assessment is careful to include the goals and wishes of the individual within a recovery model.

Physicians, Nurses, and Therapists – Telecare offers individual, group, marital & family, adult and child psychiatry, children and adolescent services, and substance abuse treatment in a recovery-oriented environment. We treat a wide range of problems needing the specialized services of a physician such as schizophrenia, depression, bipolar disorder, and obsessive-compulsive disorder. Psychiatric nurses are also utilized in the care and medication management of our clients.

INPATIENT TREATMENT

Should someone need a more structured treatment setting, Telecare has established working relationships with and can refer the client to organizations which provide the following levels of care: partial hospitalization, chemical detoxification, residential substance abuse treatment services, and inpatient behavioral healthcare treatment.

ACCESS TO SERVICES

Telecare is a qualified Medicaid and Medicare provider and our professionals are covered by most insurance companies. Residents of Surry, Yadkin and Iredell counties may also qualify for our sliding fee scale. Telecare is located at counseling centers in Statesville, Mooresville, Elkin, Yadkinville, and Mount Airy.

We are a membership organization for people who agree to cooperate with others in the accomplishments of the YMCA's accepted purpose, and recognize the fact that membership embraces all types of members and involves identification with a world-wide fellowship. Assistance for membership is available based on need.

HEALTH ENHANCEMENT PROGRAMS:

Promotes and encourages the health enhancement of individuals by offering a variety of classes and programs to deal with a wide cross section of the community. These programs are designed for all levels of general fitness and for specific health-related problems.

AQUATICS:

Provides aquatic instruction for all ages, promotes physical fitness through lap swimming and aquatic exercises, and facilitates rehabilitation through aquatic therapy. Assistance is available for those in need of water therapy, especially the National Arthritis Foundation YMCA water exercise classes.

SPORTS AND RECREATION:

Promotes exercise and skill development through league and free play for all ages. Also offers clinics for learning the skills of all games.

CAMPING:

Provides a quality day camp experience for children featuring swimming, arts and crafts, games, field trips, devotions and lessons in values. Assistance is available.

FAMILY LIFE:

Provides programs and services which help to meet the needs of Iredell County's families. Holds special family events year round and offers the Indian Guide program for parents and children. Also offers After-school care for children. Assistance is available.

COMMUNITY SERVICES:

Provides YMCA programs and facilities to individuals and groups in the community who need them. Provides facilities and volunteers for the Special Olympics and Senior Games aquatic meets. Lends facility use to Young Life, Little Miss Ebony pageant, church groups, MS meetings, Habitat for Humanity, community organizations and businesses.

ASSISTANCE PROGRAM:

The YMCA funds partial and complete assistance for those in need of our services and are unable to pay for programs or memberships. We actively seek to identify and involve those in need. All requests are treated with the greatest possible degree of sensitivity and concern for all. There is complete confidentiality of requests and information.

AFTERSCHOOL CARE:

Provides a quality program for children during after school hours and days when school is not in session. Transportation from some schools is provided. Activities include daily devotions and values lessons, games, swimming, homework time, free play, gym and playground time, and snacks.
